

Fuel Line Assemblies

Keep your fuel lines operating at peak performance to insure your outboard motor runs smoothly. Moeller offers a wide variety of OE compatible replacement assemblies that promotes maximum fuel flow!

- Assemblies use a compounded, tough & pliable UV-resistant hose.
- Includes fittings built to OEM specifications for replacement parts.

034376 08355	1/4" I.D. Topside Fuel Line Hose, Bulk Package

Finish... Choose the Right Connector

- Uses o-ring construction on all fittings for tight, leak-free connections.
- Clamshell packaging is consumer accepted with self-selling graphics!

The braided hose in photos has been altered for better viewing, it is 18-1/2" (470mm) long on tank end & 55 1/2" (1410mm) long on the motor end.
